FOOD	DECOR	SERVICE	COST
24	21	23	\$65

This "big-city steakhouse in the country" by co-owner Greg Cole (Celadon) delivers "top-notch" aged cuts as well as "fantastic hash browns" and "martinis to die for" in a "high-energy", "beautiful old stone building" overlooking Downtown's Napa Creek; with "wonderful" service too, it's a fine place to "bring those beefy reds you've been drinking all day", or take a crack at the "incredible", if "pricey", wine list.
